

May 2010 I-MAP Indianapolis Men Advancing Prevention Report

A project of

This month we distributed 8,260 safer sex kits. We continue our monthly health article in the gay newspaper. We continue to partner with Bell Flower Clinic to provide syphilis testing during testing times at the bathhouses and multiple bars. We also continue to conduct Big Bad Butch Boy Bingo every Tuesday at Gregs. This month we also provided testing at “Girth and Mirth”.
