

January 2011 I-MAP Indianapolis Men Advancing Prevention Report

A project of

This month we distributed 8,050 safer sex kits. We partnered with the IUPUI Research to distribute information to eligible individuals for a research study through our testing program. We also conducted quarterly HIV testing with Bellflower Clinic at IYG. We continue to partner with Bell Flower Clinic to provide syphilis testing during testing times at the bathhouses and multiple bars. We also continue to conduct Big Bad Butch Boy Bingo every Tuesday at Gregs.
